STEFANO BARILLI

UI/UX Designer

Resume

2020-2021

27 years old, from Italy, currently working in **Net Service S.p.a**, a software house in Bologna, as UI/UX designer. I love **design**, art and everything shall be created by **coding**. I usually prefer working on projects that I have never been done before, which include **creative** as well as **technical** challenges.

Someone says I have the **green thumb** (I have several bonsai in my home), but I also love **home brewed beer** and passing my free time **reading comics** or playing videogames.
